(1) CONTRACTOR REQUEST FOR INFORMATION :

GGA would like to clarify regarding return air grill inside Data Hall Hot Aisle Containment areas.

According to Finishing Schedule Drawing number '523213-02-DRG-AR-0001', it doesn't include return air grills specification and supplier information.

However, in Reflected Ceiling Plan, it described HAC areas with red line and put legend as 'Ceiling Grid with no Ceiling Board'. Kindly refer to Drawing number

'523213-02-DRG-AR-6002'

In addition, HOT AIR CONTAINMENT DETAIL Drawing number '523213-02-DRG-AR-9311', it shows "TATE ALUMINUM CEILING GRID UNIFORM LOAD 2,4KN/M2

WITH CEILING BOARD.

GAA would like to clarify whether there will be return air grills or not in Hot Asile Containment (HAC) areas or not and which information to use for further construction process.
